

■ Green AI Skills: Youth for a Sustainable Future

■ October 22 – Arrival Day

10:00–20:00 – ■ Arrival of participants, check-in, welcome dinner, and informal get-to-know evening. Icebreakers and casual conversations to create first bonds.

■ October 23 – Day 1: Getting Started

10:00 – ■ Breakfast at hotel.

11:00 – ■ Icebreaker: 'Name & Movement Circle' – participants say their name and create a unique movement, continued around the circle for memory and fun.

12:30 – ■ Coffee break.

13:00 – ■ Human Bingo – participants find others who match different statements on a bingo card to learn about each other.

15:00–17:30 – ■ Lunch & free time.

17:30 – ■ Session: 'What is AI?' – discussion about what AI is, how long we've been using it, and how it helps in daily life.

20:00 – ■ Dinner & informal evening activities.

■ October 24 – Day 2: Learning & Exploring AI

10:00 – ■ Breakfast.

11:00 – ■ Erasmus+ Introduction – participants group by experience (Youth Exchanges, Training Courses, ESC), discuss differences, and present key insights.

12:30 – ■ Coffee break.

13:00 – ■ Session: AI Ethics – exploring why AI is good or bad; discussion supported by deepfake examples.

15:00–17:30 – ■ Lunch & free time.

17:30 – ■ Team Presentations – groups share results: 'Good AI vs Bad AI'.

20:00 – ■ Dinner.

■ October 25 – Day 3: Discovering Yerevan

10:00 – ■ Breakfast at hotel.

11:00 – ■ Departure to Yerevan.

12:00–18:30 – ■ City Rally Game – teams explore Yerevan by completing cultural and environmental tasks, discovering landmarks and local life.

13:00 – ■ Lunch boxes on the go.

20:00 – ■ Return to hotel & dinner, relaxed evening reflection.

■ October 26 – Day 4: Understanding Sustainability

10:00 – ■ Breakfast.

11:00 – ■ Session 1 – What is sustainability? Discussion on its meaning, importance, and daily sustainable actions.

12:30 – ■ Coffee break.

13:00 – ■ Session 2 – Kahoot Game about sustainability and environmental awareness.

15:00–17:30 – ■ Lunch & free time.

17:30 – ■ Session 3 – Country group presentations of sustainability practices and eco-initiatives from their home countries.

20:00 – ■ Dinner & group reflection.

■ October 27 – Day 5: Exploring AI Tools

10:00 – ■ Breakfast.

11:00 – ■ Midjourney Workshop – participants learn to create creative images and characters using AI prompts related to sustainability.

12:30 – ■ Coffee break.

13:00 – ■ Veed.ai Animation Lab – participants animate their characters and build short digital stories.

15:00–17:30 – ■ Lunch & free time.

17:30 – ■ 11Labs Voice AI Workshop – creating voiceovers using AI to support video projects.

20:00 – ■ Dinner & relaxed evening.

■ October 28 – Day 6: Final Creation & Celebration

10:00 – ■ Breakfast.

11:00 – ■ AI Video Challenge – participants divided into 4 teams brainstorm and create AI-based videos about sustainability.

12:30 – ■ Coffee break.

13:00 – ■ Team Presentations – groups present their final videos and ideas, followed by open discussion and feedback.

15:00–17:30 – ■ Lunch & free time.

17:30 – ■ Reflection & closing circle – participants share experiences, lessons, and final words.

20:00 – ■ Final Party & Farewell Evening – celebration of achievements with music and dance.

■ October 29 – Departure Day

10:00 – ■ Breakfast, farewells, and departures.
